We recommend that you contact us to confirm inventory and lead times. For in-stock scents we can normally ship Rub'nSmell® varnish within five working days. For orders of out-of-stock scents or scents that are special order, please plan on four to five weeks.

This list only represents scents that we keep in inventory. If you are looking for a scent that is not on this list please let us know. We have an extensive scent library of more than 800 different fragrances so the odds are good we will be able to meet your request.
